Comptroller

26 July 1954

Chief, Technical Accounting Staff

Report on Far East Survey Trip

REF : Memorandum dated 21 June 1954 to Comptroller from  
25X1A9a [REDACTED] Subject: Same as Above.

1. The Deputy Comptroller referred the subject report to me for action on recommendations (b) (c) and (d). I discussed with the Deputy Comptroller the action required by recommendations (b) and (c) of the subject report and pointed out that before the requested action can be taken a detailed study of the subject matter would be required and that this would necessarily entail a TDY assignment for a member of the Technical Accounting Staff to the Far East area. The Deputy Comptroller recognized the necessity for such a trip before the recommended action could be taken as adequate information is not available at headquarters as to the problems involved with respect to non-appropriated funds, and it was agreed that this matter would be referred to you for your viewpoint.

25X1A9a

2. Mr. [REDACTED] will be through his NAC course and a short period of annual leave by 15 August 1954 and it would be possible to assign Mr. [REDACTED] to perform the required review of activities in the Far East area after he has had an opportunity for some study of background material at headquarters on the subject. I would like to discuss this matter with you at your convenience.

25X1A

3. With respect to recommendation (d), this Staff will contact Mr. [REDACTED] and ascertain more specifically the type of draft procedures he believes should be made available to the NAC Staff in advance of final issuances.
